The secretaries warned

to stay by their keyboards, bent
executives monitored

their reserved monitors to watch
Security descending from high-

er floors. The Oil
Industry was used
to threats, but this the most

theatrical & severe.
The man ultimately seized
in the lobby as

executives uncoiled
to high-five, appeared
innocent enough.

But claimed to be
The Truth,

and had to be expunged from
such a slickly marble venue.
